**CV - Cladco Projects.**

We would like to take this opportunity to introduce our company.

We have been in operation for the past twenty two years, distinguishing ourselves as installation specialists in all types of retail and industrial roof sheeting, vertical cladding, insulation and ventilation contracts.

**Cladco Projects CC** is highly experienced in all the popular Macsteel, Global Roofing Solutions products as well as Clotan Steel, Saffintra Roofing, Palram, Modek and Everite Fibre Cement products.

Together with the roof cladding, we specialized in the different types of insulation and fire ventilation specifications required for the varied projects.

Repairs to existing roofs and re-roofing of existing projects have also been successfully undertaken without any disturbances to the trading being done below.

Attached please find a list of some of our larger recently completed projects

Should any further information be required, do not hesitate to contact the undersigned.

Yours faithfully,

**JONATHAN PIETERSE**
